Have you been dreaming of living in Charleston? Are you a snowbird, a first-time home buyer or maybe you're thinking about downsizing? Look no further! Enjoy low maintenance living in this bright and spacious condo in the desirable community, Grove Park, nestled in Grand Oaks Plantation. This charming open concept, 2 bedroom, 2 bathroom home, boasts vaulted ceilings, a gas fireplace, ample storage and wonderful natural lighting. The kitchen offers an island perfect for meal prep or casual dining. The primary bedroom is large enough for a king-size bed with plenty of room to spare, it also features 2 walk-in closets and a spacious en-suite bathroom with a walk-in shower, and a garden tub. You'll also enjoy having your own private screened porch, an in-unit laundry room with a washer and dryer for added convenience and an additional outdoor storage closet for bikes and beach chairs. And its steps away from the Grove Park pool and Clubhouse. You'll also appreciate how quiet being on the second floor is, not having anyone above you. Also, the owners replaced the HVAC unit about 3 years ago. All of this and more awaits in a tranquil setting in an active community with miles of paths
